Caitlyn Jones

caitlyn.jones1022@gmail.com — 678-409-7513 — Boston, MA

EDUCATION

Brandeis University Waltham, MA
Bachelor of Science in Computer Science and Applied Mathematics Expected May 2026
GPA: 3.37

King's College London, England
Semester Study Abroad January 2025-May 2025

Relevant Courses: Data Structures and the Fundamentals of Computing, Fundamentals of Software Engineering, The Philosophy and Ethics of Technology, Software Entrepreneurship, Intro to Applied Mathematics, Numerical Methods and Big Data, Statistical Modelling, Digital Games and Gaming Culture, Capstone Project for Software Engineering, Mathematics for Machine Learning, Human Computer Interaction, Automation in Software Development

HONORS

Michael S. Feldberg & Ruth Lazarus Endowed Posse Academic Achievement Scholarship (2023-2024)
The Posse Foundation Full-Tuition Leadership Scholarship (2021-2026)

SKILLS

Programming Languages: Java, JavaScript, Python, HTML, CSS, R, Processing
Frameworks and Tools: GitHub, React, Matplotlib, RStudio, Spyder
Productivity: Microsoft Office Suite, Google Suite

RELEVANT PROJECTS

Final Grade Predication Algorithm Fall 2025
Mathematics for Machine Learning
- Built an end-to-end machine learning pipeline using XGBoost to predict students' final exam scores from habit and lifestyle data
- Evaluated model performance using MSE, RMSE, and R^2, and analyzed residuals to assess accuracy and reliability

Oscars Best Picture Prediction Algorithm Spring 2025
Statistical Modeling
- Used R Studio to derive a generalized linear model given a data set of all variables regarding the Best Picture category from the Oscars
- Evaluated the variables using a stepwise prediction algorithm to ultimately predict the 2025 Best Picture winner

Online Recipe Book Spring 2024
Fundamentals of Software Engineering
- Collaborated with a team of four to design and build an interactive web application for browsing and managing recipes using React, JavaScript, and CSS
- Implemented frontend components, styling, and navigation logic to create a smooth, responsive, and user-friendly experience

SpongeBob Computer Game October 2024-Present
On-going Personal Project
- Developing a 2D game in Processing featuring animated characters and interactive environments.
- Applied coordinate geometry and mathematical transformations to create dynamic visual elements and motion.

EXPERIENCE

Volleyball Coach August 2023-Present
Beaver Country Day School, Lion Heart Volleyball Club Weston, MA
- Coach and mentor beginner athletes, improving fundamental skills, teamwork, and confidence in competitive play
- Foster an inclusive and supportive environment that encourages collaboration and personal growth

Vice President of External Affairs, Executive Board June 2023-June 2024
Sigma Delta Tau, Delta Gamma Chapter Waltham, MA
- Led the planning and coordination of external events and partnerships for the chapter.
- Managed budgets and allocated funds to support organizational engagement and outreach initiatives.

CAMPUS AND COMMUNITY INVOLVMENT

Brandeis University Quant Club, *Member* January 2024-Present
Brandeis University Women's and Coed Volleyball Club, *Team Member* August 2022-Present
Sigma Delta Tau, Delta Gamma Chapter, *Initiated Member* November 2022-Present
